Dear Mr Newman

RE: PLUCKLEY RECREATION GROUND

I am pleased to confirm that the registration of the title to the above at HM Land Registry has now been completed and I enclose a copy of the Title Information Document and filed plan which are I hope self-explanatory but of course if you have any queries upon these please speak to me. Assuming that nothing further is required of me at this stage I enclose a note of my costs for the kind attention of the Parish Council.

Yours sincerely

MJ THORNELOE
